The Mission of the Gilmour Youth Hockey Association (GYHA) is to provide recreational hockey instruction and competition for girls and boys under the age of 19. The intention is to instill in the players the love of the game of hockey and a respect for the ideals of sportsmanship while promoting fair play. GYHA is affiliated with USA Hockey, Mid-Am District and the Cleveland Suburban Hockey League. GYHA strives to ensure that children are provided a meaningful, enjoyable, challenging and safe hockey experience. GYHA is guided by the principles of good sportsmanship, honesty, respect for all individuals, and personal integrity. GYHA is committed to the long-term growth and development of all levels of ice hockey players. Our success will be measured by the growth of the program so that more children can enjoy the sport of hockey in the future. Families from the surrounding communities are encouraged to be involved and promote the game of hockey for the betterment of GYHA.
