What to Bring

Please dress for the weather. Cooler mornings tend to give way to warmer afternoons. Dress in layers and be sure that everything is clearly marked with your camper's name. A backpack is good for keeping clothing and swimming suits and towels together.

Please apply sunscreen at home before coming to camp. Weather permitting, we try to be outside as much as possible. Counselors can assist in the application of sunscreen but cannot rub it on campers. A spray sunscreen works best for those needing assistance with application.

Water is important for daily health. Please provide an unbreakable water bottle marked with your camper's name. Campers will have many opportunities and much encouragement to drink and fill their bottles throughout the day.

Transportation

There is no transportation to campus for camps. Gilmour Academy uses our own buses and vans as transportation on campus and for our weekly field trips and off-site programs. All drivers have proper credentials and have had background checks.

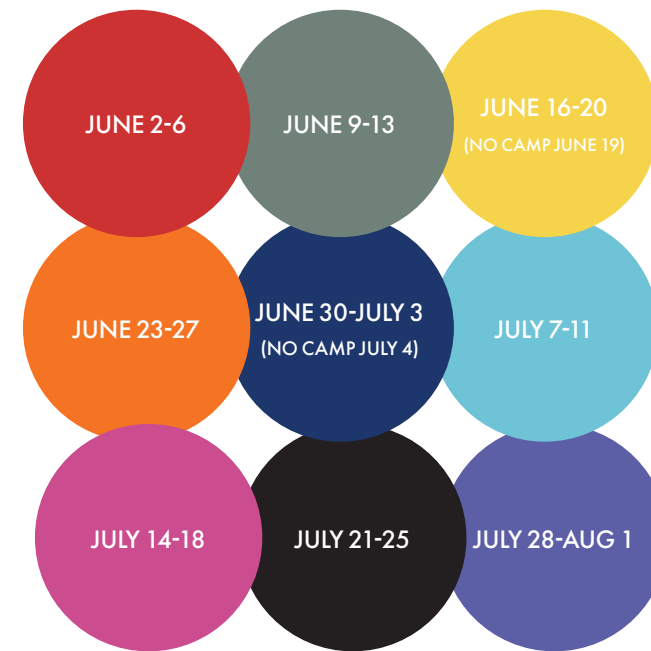

Additional information for camps will be sent on Thursday of the week before your camp is scheduled to begin to the email address you provide in your DaySmart registration. If your registration is received late, there may be a delay in this communication.

Please add summercamp@gilmour.org to your inbox. Otherwise important information from Camp Gilmour may go to your SPAM folder.

Let's soak up as much sunshine and good times as we possibly can! Don't forget to pack the sunscreen and to top off the water bottle for one last week of summer camp fun!

JAMES HERTEN, DIRECTOR OF PRESCHOOL SUMMER CAMPS

We are thrilled to have Mr. Herten return for his fifth year as Preschool Camp Director. Mr. James, as he is known by our campers, believes that one of the most important ways to ensure a successful preschool camp is having fun while incorporating structure and routine. Under Mr. Herten's leadership, your child will explore their natural curiosities and interests while engaging in meaningful, hands-on activities as they journey through music, movement, creativity and exploration, and make some new friends along the way! As one of Gilmour's Lower School Montessori teachers, Mr. Herten teaches our youngest students how to navigate their first school experience.

CAMP GILMOUR PRESCHOOL POTTY TRAINING POLICY

Children enrolled in Camp Gilmour must be potty trained before attending camp. Children must be able to wear underwear and have very few accidents. A child having daily accidents would not be considered potty trained. (Please note that if your child requires pull-ups, they aren't considered potty trained.)

WHY DO CHILDREN HAVE TO BE POTTY TRAINED BEFORE THEY ATTEND PRESCHOOL CAMP?

There are strict standards around changing and disposing of wet or soiled diapers with regard to licensure. Camp Gilmour does not hold this license.

We do understand that even potty-trained children will occasionally have toileting accidents. By definition, "accidents" are unusual incidents and should happen infrequently. In these instances, the senior camp counselor will help children change their clothes, encouraging independence as much as possible.

A POTTY-TRAINED CHILD CAN DO THE FOLLOWING:

- communicate to the counselors that they need to go to the restroom before they need to go
- alert themselves to stop what they are doing to go and use the bathroom
- pull down their clothes and get them back up without assistance
- wipe themselves after using the toilet
- get on/off the toilet by themselves
- wash and dry hands
- postpone going if they must wait for someone who is in the bathroom or if they are away from the classroom

We certainly will ask your child many times throughout the day and always before snack and lunch if they need to use the bathroom. A teacher will assist children as needed, but children should be able to complete toileting activities independently. This is an issue that protects all concerned.

It is not uncommon for a child who is fully toilet trained to have a setback when they are in a new environment. Preschool Camp staff are aware of this and will assist the children when necessary. **Please dress your child in clothing that can be undone and changed easily. Please send a complete change of clothes appropriate for the season.** Parents will be notified if a child has a toileting accident.
